

# Mobile Evaporative Cooler

| Part Number         | MIS0190                 |
|---------------------|-------------------------|
| Dimensions (mm)     | 1330 x 1170 x 1190H     |
| Air Flow            | 13,000 m3/H             |
| kW                  | 14.4 kW                 |
| Approx Cooling Area | Up to 130m <sup>2</sup> |
| Motor RPM           | 900 rpm                 |
| Motor kW            | 0.9 kW                  |
| Phase               | Single Phase Motor      |
| Fan Style           | Axial Fan               |
| Controller Type     | LCD Controller          |
| Speed               | Variable Speed          |
| Drain               | Electric Drain Function |
| Timer               | Timer Function          |
